Indiana High School Athletic Association (IHSAA) Allows Athletic Events to Continue

[Griffith, IN] – During a press conference held today, the governing body for high school athletics in the state of Indiana, the Indiana High School Athletic Association (IHSAA) announced while there are being stipulations and restrictions placed on the Boys' Basketball Regional Tournaments and the Gymnastics State Championship, all spring season interschool contests in the state of Indiana are being allowed to continue at this time, at the discretion of each individual school district.

In keeping in line with this announcement, Griffith Middle School and Griffith High School plan to continue with their regularly scheduled athletic contests, with the exception of those schools who have cancelled their respective district's activities.

We recognize this is an ever-changing and fluid situation and we will continue to provide our coaches, student-athletes, parents and community with any updates and information we are provided from the IHSAA, and any decisions made regarding athletic contests/events within the Griffith Public Schools.

Please continue to monitor our Eventlink calendars, our @Athletics_GHS Twitter page and our GriffithAthletics.com website for news and updates with regard to the impact of COVID-19 on our athletic event schedules.
