

Griffith Public School

Dear Parents and Guardians:

As your child's Teacher of Record, I want you to know that we are here to support the needs of your child during this time. At any time during school hours, please feel free to reach out via email. I am here to help guide you, provide accommodations, and best meet the needs and services outlined in your student's IEP. If you or your child are overwhelmed at any time, please send me an email and I will make myself available through the Zoom App to assist you and your child through the eLearning experience. Please be patient and know that we will get through this together.

Kindest regards,
